REPRESENTING THE LEADING BRANDS IN RETAIL.

EXPLORE WHAT RILA HAS TO OFFER.
WHO WE ARE

The Retail Industry Leaders Association (RILA) is the US trade association for retailers that have earned leadership status by virtue of their sales volume, innovation or aspiration. We convene decision-makers to collaborate and gain from each other's experience. We advance the industry through public-policy advocacy and education. And through research and thought leadership, we propel developments that foster both economic growth and sustainability. Our aim is bold but simple: to elevate a dynamic industry by transforming the environment in which retailers operate.

As the retail industry's advocate in Washington, RILA is a trusted source dedicated to telling the retail industry's story and informing lawmakers of the impact and consequences of the decisions they make. On the retail operations side, RILA provides a forum where members can conduct discussions aimed at understanding common operational practices, areas of concern and pragmatic solutions to problems. And our educational events are second to none.

RILA is structured to focus on core areas where retailers can network to make a difference.
