**EXPLORE WHAT RILA HAS TO OFFER.**

**RETAIL INDUSTRY  
LEADERS ASSOCIATION**

# WHO WE ARE

The Retail Industry Leaders Association (RILA) is the US trade association for retailers that have earned leadership status by virtue of their sales volume, innovation or aspiration. We convene decision-makers to collaborate and gain from each other's experience. We advance the industry through public-policy advocacy and education. And through research and thought leadership, we propel developments that foster both economic growth and sustainability. Our aim is bold but simple: to elevate a dynamic industry by transforming the environment in which retailers operate.

As the retail industry's advocate in Washington, RILA is a trusted source dedicated to telling the retail industry's story and informing lawmakers of the impact and consequences of the decisions they make. On the retail operations side, RILA provides a forum where members can conduct discussions aimed at understanding common operational practices, areas of concern and pragmatic solutions to problems. And our educational events are second to none.

RILA is structured to focus on core areas where retailers can network to make a difference.

- Asset Protection
- Finance
- Human Resources
- Legal & Compliance
- Public Policy & Advocacy
- Supply Chain
- Sustainability & Energy
- Technology & Innovation

## WHAT WE BELIEVE:

- Retail is vital.
- Retail is ever-evolving.
- The customer experience is as important as the transaction.
- Collaboration makes retailers better competitors.
- We are our members.

*The RILA Board, made up of a skilled and committed group of retail leaders, has worked tirelessly to do what is right for our employees, customers and the industry. I look forward to partnering with my peers to continue to shape the future of our industry.*
